

TRUNCH PARISH COUNCIL

ACTION PLAN 2016/17

The following items are agreed and discussed at each council meeting and form a framework against which agendas are formulated.

1. **Playing Field Project:-** The Parish Council has joined with the Trunch Village Society with a distinct aim to press forward with fundraising for the new equipment and possible new pavilion on the playing field. This fundraising consists of applying for grants from the Big Society Fund (NNDC) and other grant providers yet to be identified by the volunteers.
2. We will continue to be a part of ongoing debates and discussions regarding important highway issues such as new drainage on the North Walsham Road.
3. The Parish Council has taken on the verge and footpath cutting from Norfolk County Council. This will continue for the foreseeable future.
4. We will continue to get involved with all planning matters.
5. In all aspects we continue to consult with the villagers and carry out their majority wishes where possible.
